# YOU BUY; WE DONATE<sup>®</sup>

## **The Original Poop Bags<sup>®</sup> Philanthropy**

*The Original Poop Bags<sup>®</sup> supports causes that contribute to the health and well-being of pets and the environment. Here are pet rescues or environmental organizations to which we have donated cash, products, or dog waste bags.*

- **Clearwater Marine Aquarium:** We symbolically adopted a dolphin named Hope! You can read about her story here. 100% of the net proceeds from adoptions go straight toward CMA's mission of marine life rescue, rehab, and release.

- **National Save the Sea Turtle Foundation:** We adopted a sea turtle nest, and 105 hatchlings from our nest made it safely to the sea!

- **Pet Soup Kitchens:** In conjunction with The Honest Kitchen, The Original Poop Bags donated 12 boxes of The Honest Kitchen's Keen, The Honest Kitchen donated 12 boxes of Zeal, and sold t-shirts to donate additional boxes to a local pet food pantry. In all, 39 boxes were donated, which equaled over 1,600 lbs of food. Plus The Original Poop Bags dog waste bags were donated to the cause.

- **Algalita Marine Research Foundation and Friends of Animal Care and Control:** Sold t-shirts and donated gross profits to one of the two listed organizations. Our customers could choose which organization to support.

- **Aaron's Dog Park:** Raised money and donated dog poop bags to help a boy scout building a dog park.

**And so much more!**

# RECOGNITION AWARDS

**Treehugger** Sustainability for All.

Lastly (by timing), but certainly not least... We were notified by Brandlists.com that The Original Poop Bags® has been named "BEST DOG WASTE BAGS BRAND" in Canada!!!

We were also named "BEST WASTE BAGS DISPENSER BRAND" for our patented leash dispenser. Canada is one of the most eco-friendly countries on the planet, and they're leaders in recycling and composting programs. To be name BEST IN CANADA really holds a special place in my heart.

I'm totally blown away, and wanted to say THANK YOU! Thank you for supporting my small business that was started in my dining room in 2003 all the way through being sold in 35+ countries.

Between our customers and the press, I'm really a lucky guy. I promise we will never rest, and we will always innovate to bring the highest quality, latest technologies, and lead market trends.

Very best regards,

- PC
